

## INNOVATIVE TECHNOLOGY EXAMPLE SOFTWARE – LICENSE AGREEMENT

### ***Examination and usage of the example code provided constitutes acceptance of this agreement.***

The enclosed software is provided exclusively as an example of how to interface with the libraries Innovative Technology LTD. provide to support the SSP communication protocol. Whilst every effort is made to ensure the software provided demonstrates good practice of how to interface with the validator, it is up to the system designer to make their own design decisions.

The software/code is provided 'as is' without warranty of any kind, either express or implied, including, but not limited to, the implied warranties of fitness for a purpose, or the warranty of non-infringement. Without limiting the foregoing, Innovative Technology Ltd. makes no warranty that:

- the software will meet your requirements
- the software will be uninterrupted, timely, secure or error-free
- the results that may be obtained from the use of the software will be effective, accurate or reliable
- the quality of the software will meet your expectations
- any errors in the software will be corrected.

Software and its documentation made available:

- could include technical or other mistakes, inaccuracies or typographical errors.
- May be out of date, and Innovative Technology Ltd makes no commitment to update such materials.

Innovative Technology Ltd. assumes no responsibility for errors or omissions in the software or documentation available.

In no event shall Innovative Technology Ltd. be liable to you or any third parties for any special, punitive, incidental, indirect or consequential damages of any kind, or any damages whatsoever, including, without limitation, those resulting from loss of use, data or profits, whether or not Innovative Technology Ltd. has been advised of the possibility of such damages, and on any theory of liability, arising out of or in connection with the use of this software.

The use of the software is done at your own discretion and risk and with agreement that you will be solely responsible for any damage to your computer system or loss of data that results from such activities. No advice or information, whether oral or written, obtained by you from Innovative Technology Ltd. shall create any warranty for the software.

Please immediately contact [support@innovative-technology.co.uk](mailto:support@innovative-technology.co.uk) if any questions arise over the usage of this code.
